Quote from James McInnes, CEO, Cyborg Trading Systems,  
2011 Innovation Award

*"Winning the 2011 Innovation Award has served to raise our company's profile and assisted in accelerating our growth. The award has given all of our employees a renewed energy and sense of accomplishment for all of their hard work and dedication."*

Quote from Lucy Quaglia, Administrator & HR Manager, SCIENCETECH INC.  
2009 Innovation Award

*"We were very honoured and proud to receive the 'Global Trade Innovation Award' in 2009. This award helped to increase our profile in the community. As a matter of fact, we got several messages of congratulations from agencies and other companies after our big night. Various local papers and specialized periodicals had articles and editorials about us, our people and our products. We are very thankful to the London Chamber of Commerce to have chosen us for this award."*
